

Annexure-A

Questionnaire for Baseline Survey for MODEL VILLAGE MISSION

Indicator A: Housing

Benchmark: 100% eligible household have pucca houses

Question	Response
A.1 Whether all eligible kuccha households are listed for getting pucca house?	Yes/No
A.2 If the village is disaster prone, do villagers have access to flood/cyclone shelter?	Yes/No

Indicator B: Road Connectivity

Benchmark: All-weather road connectivity

Question	Response
B.1 Do all villages have access to GP headquarter village through all-weather roads?	Yes/No
B.2 Is ambulance able to reach the GP headquarter village?	Yes/No

Indicator C: Water Supply

Benchmark: 100% of households with year-round safe drinking water

Question	Response
C.1 Do all households have access to functional drinking water source?	Yes/No
C.2 Is the source of drinking water treated regularly?	Yes/No

Indicator D: Electricity

Benchmark: Universal electricity

Question	Response
D.1 Do all households and public institutions of the village have electricity connection?	Yes/No
D.2 Is the electricity line in the village safe and hazard free?	Yes/No

Indicator E: Household Sanitation

Benchmark: 100% functional toilets & ODF Plus sustainability

Question	Response
E.1 Do all households have functional toilets	Yes/No
E.2 Is there open defecation in the village?	Yes/No

Indicator F: Public Spaces

Indicator F1: Availability of playground

Benchmark: Adequate, inclusive playground in the village

Question	Response
F1.1 Does the village have a playground?	Yes/No
F1.2 Is the playground accessible to all groups?	Yes/No
F1.3 Is the playground well maintained?	Yes/No

Indicator F2: Availability of parks

Benchmark: Adequate, inclusive park in the village

Question	Response
F2.1 Does the village have park/s ?	Yes/No
F2.2 Is the park accessible to all groups?	Yes/No
F2.3 Is the park well maintained?	Yes/No

Indicator F3: Availability of community hall

Benchmark: Adequate, inclusive community hall in the village

Question	Response
F3.1 Does the village have community hall/s ?	Yes/No
F3.2 Is the community hall accessible to all groups?	Yes/No
F3.3 Is the community hall well maintained?	Yes/No

Indicator G: Solid Waste Management

Benchmark: Scientific waste management & clean village

Question	Response
G.1 Do all households and institutions segregate waste?	Yes/No
G.2 Is segregated waste collected through transportation vehicle?	Yes/No
G.3 Is the waste transported to a segregation shed?	Yes/No

Indicator H: Clean Cooking Fuels

Benchmark: Clean cooking fuel

Question	Response
H.1 Do all households have LPG connection?	Yes/No
H.2 Do all households have PM Ujjwala connection?	Yes/No

Indicator I: Telecom and Internet

Benchmark: Digital connectivity

Question	Response
I.1 Does the village have access to internet facility?	Yes/No
I.2 Is mobile network available in the village?	Yes/No

Indicator J: Veterinary Sub-centre

Benchmark: Functional veterinary sub-centre with regular services

Question	Response
J.1 Is there a Livestock Aid Centre (LAC)?	Yes/No
J.2 Are the LAC services for livestock owners accessible?	Yes/No
J.3 Is there a Dairy Cooperative Society (DCS)?	Yes/No
J.4 Is the DCS functional?	Yes/No
J.5 Is the facility for Artificial Insemination (AI) available in the village?	Yes/No

Indicator K: Healthcare

Benchmark: Universal primary healthcare

Question	Response
K.1 Does the village have Primary Health Center (PHC)	Yes/No
K.2 Does the PHC have connectivity from GP headquarter village	Yes/No
K.3 Does the PHC have telemedicine facility?	Yes/No
K.4 Does the village have Sub Center/Ayushman Arogya Mandir?	Yes/No
K.5 Does the sub center at GP have telemedicine facilities?	Yes/No
K.6 Does the village have ASHA?	Yes/No
K.7 Are the children of village immunized?	Yes/No
K.8 Are the adult population of the village screened for NCDs?	Yes/No
K.9 Are health card facilities under ABPMJAY-GJAY being provided to the villagers?	Yes/No
K.10 Are health card facilities under AVVY being provided to the villagers?	Yes/No

Indicator L: Education

Benchmark: 100% enrolment, zero dropout

Question	Response
L.1 Whether all children are enrolled in primary school?	Yes/No
L.2 Do all schools in the village have access to electricity?	Yes/No
L.3 Do all schools in the village have toilet facilities?	Yes/No
L.4 Do all schools in the village have access to clean drinking water?	Yes/No
L.5 Do all schools in the village have safe pucca classroom/s?	Yes/No
L.6 Are children getting mid-day meals in eligible schools?	Yes/No

Indicator M: Livelihood Opportunities

Benchmark: *Increased and diversified incomes*

Question	Response
M.1 Are all willing workers getting man days under VB-G RAM G	Yes/No
M.2 Does every household have non-farm source of employment?	Yes/No
M.3 Do the women from households pursue any income generation activity through support from SHG?	Yes/No
M.4 Does the village have any functional Community/ GP water body?	Yes/No
M.5 Are the water bodies used for scientific pisciculture ponds for diversification under farming activities?	Yes/No
M.6 Are there any Fish Farmers Producer Organizations/ Primary Fisheries Cooperative Societies/ Multipurpose PFCS?	Yes/No

Indicator N: Skill Hubs

Benchmark: *Functional skill hub with adequate infrastructure*

Question	Response
N.1 Are the youth interested in getting skilled?	Yes/No
N.2 Do willing youth aware of skill development/vocational training courses and digital skilling opportunities?	Yes/No
N.3 Do willing youth aware of skill development/vocational training institutions and digital skilling opportunities?	Yes/No

Indicator O: Banking and Financial Inclusion

Benchmark: *100% households financially included*

Question	Response
O.1 Does the village have bank/CSP facility?	Yes/No
O.2 Do the households have access to institutional/SHG credit facility?	Yes/No

Indicator P: Nutrition

Benchmark: *Improved nutrition outcomes*

Question	Response
P.1 Is the Anganwadi functional?	Yes/No
P.2 Are all eligible children receiving Take Home Ration (THR) through the Anganwadi Centre?	Yes/No
P.3 Are all eligible children (3-6 years) provided with Hot Cooked Meal at the Anganwadi Centre?	Yes/No
P.4 Are all eligible pregnant women and lactating mothers receiving Take Home Ration (THR) at the Anganwadi Centre?	Yes/No
P.5 Are all eligible adolescent girls receiving Take Home Ration (THR) at the Anganwadi Centre?	Yes/No
P.6 Is 100% growth monitoring (weight and height/length) of all registered children being conducted regularly and recorded in the Poshan Tracker?	Yes/No
P.7 Are there any malnourished children identified as SAM?	Yes/No

P.8 Is follow-up of SAM children conducted?	Yes/No
P.9 Are there any adolescent girls/pregnant women & lactating mothers identified as anemic?	Yes/No
P.10 If IFA supplementation provided to the anemic adolescent girls/pregnant women & lactating mothers in coordination with ASHA & ANM?	Yes/No
P.11 Is VHSND conducted regularly?	Yes/No
P.12 Is Jaanch Committee/Mother's Committee functional?	Yes/No
P.13 Does the AWC have its own building?	Yes/No
P.14 Is safe drinking water available at AWC?	Yes/No
P.15 Is a functional toilet available?	Yes/No
P.16 Is electricity available?	Yes/No

IndicatorQ:SocialSecurity

Benchmark: *Ensuring Food Security for all Eligible Households*

Question	Response
Q.1 Are eligible ration card holder getting foodgrain entitlement in correct weighment?	Yes/No
Q.1 Are eligible ration card holder getting foodgrain of good quality?	Yes/No
Q.1 Are eligible ration card holder getting foodgrain entitlement in time?	Yes/No
Q.4 Are all eligible beneficiaries availing pension? (old age/widow/PwD etc.)	Yes/No
Q.5 Are all eligible beneficiaries covered under Ayushman Bharat?	Yes/No

IndicatorR:Governance

Benchmark: *Active Gram Sabha & grievance redressal*

Question	Response
R.1 Whether Gram Sabha is held regularly?	Yes/No
R.2 Whether PRI members are trained?	Yes/No
R.3 Whether GPDP prepared in time?	Yes/No
